**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a long time customer of Sonic, I stay with Sonic because of their customer service, outstanding internet and Phone services as well as their reasonable prices. I can not believe you would allow local, loyal, small companies to be pushed out of the broadband marketplace ! How is it acceptable to limit my choices for internet service ? If Sonic is priced out then I will be forced to pay more to the Big Company that has no customer service and just keeps raising rates.

I am a Consumer that supports Broadband Competition !

Please do not limit my choices and raise everyones rates !!
